

## PS03 ELECTRONIC KITCHEN SCALE

### DESCRIPTION

The digital scale PS03 is the best solution whether you're a gourmet chef, or just needing an accurate, reliable instrument for weighing your ingredients in your kitchen. This unit is designed to weigh up to 5 kg in 1 gram increments; it features a large backlit digital display for easy reading, tare and auto shut-off function to preserve battery life, visual indicators for low battery and weighing errors and it is equipped with a removable transparent bowl to allow the weighing of liquids, spices and grainy foods easily.
