

VP26 STEAM COOKER

DESCRIPTION

Steam cooking is healthy, natural and dietetic, while helping to keep intact food minerals and vitamins. With the three-level steamer VP26 by Girmi, you can cook a variety of foods even simultaneously, such as grains, vegetables, fruits, eggs, fish, meat and poultry without added oils and fats. The set includes three transparent 4 litre trays and a 1000 ml capacity bowl of rice, featuring a 60 minute timer with auto-safety shutdown in the event of water depletion, continuous refilling and an anti-drip lid for your convenience. Made with stainless steel body, VP26 steamer is very easy to disassemble for an easy cleaning.
