

PH60 PROFESSIONAL HAIR DRYER

DESCRIPTION

Amazing results with any type of hair with the professional hair dryer PH60! Equipped with a powerful AC motor that has an extended lifespan lasting up to 4x longer compared to a conventional hair dryer, this unit is able to ensure the same quality of a professional beauty salon combined with excellent maneuverability and ease of use. Thanks to the combination of two speeds and three heat (cold, moderate heat and hot) you will indeed get a perfect hairstyling in a few seconds. Equipped with cool air shot for fixing the hair, removable rear filter for quick cleaning and convenient hole for hanging, the professional hairdryer PH60 also features a comfortable ergonomic handle, extra long power cord and easily accessible side controls that ensure the maximum comfort during use.
