

RC30 5 IN 1 HAIR CLIPPER

DESCRIPTION

The hair clipper RC30 is everything you need for your daily hair & beard cutting, finishing and shaving. The kit includes a clipper with 4 combs for a haircut from 3 to 12 mm, a trimmer with a 0.8 to 1.4 mm cutting height adjustment, electric beard razor, an hygienic epilator for nose and ears and a precision trimmer for sideburns or for creating fancy look with marked nuances. Both cord and cordless operated, this unit ensures an operation time of 45 minutes in wireless mode, after following a full charge of 8 hours. Accessories included are: the accommodation base for all the attachments and a blade cleaning and maintenance set with brush and lubricating oil.
