

SB81 HAND MIXER WITH BOWL

DESCRIPTION

Save time and energy in the kitchen without compromising on quality is possible with our hand mixer SB81. Thanks to its dual function hand / stand mixer, this unit is able to guarantee the maximum versatility of use: installed on the support, thanks to its large 2,8 litre bowl with automatic rotation, you can achieve exceptional results also in the preparation of dough. Equipped with a powerful motor of 300 watts, the mixer SB81 is able to knead, blend, compound, mount, and emulsify a large amount of food in a very short time, thanks to the 5 working speeds with turbo function. Easy to clean, it features an ergonomic handle and it is equipped with 2 pairs of stainless steel beaters for maximum convenience.
