

MP20 BREAD MACHINE

DESCRIPTION

Nothing makes you feel at home as the smell of freshly baked bread: with the help of the bread machine MP20, you will enjoy every day the pleasure of fresh and homemade bread on your table, tasty and healthy, with no preservatives. Ideal for all recipes, this unit is simple to use: just follow the recipe book, add the ingredients, set the desired program and let the machine do the rest. Thanks to its 19 automatic programs (including bread, french bread, whole wheat, cakes, defrosting function, yoghurt, jam and porridge etc ..), 3 selectable weights (0.5 - 0,75 - 1 Kg) and 3 browning levels (light, medium and dark), you will be able to prepare your favourite homemade fragrant bread, enriched with dried and fresh food as you desire. Ideal for preparing Gluten Free bread, the bread machine MP20 is equipped with electronic control panel with large LCD display and adjustable timer up to 15 hours with delayed start to have bread ready at the time you prefer.
