

## AP15 RECHARGEABLE PORTABLE VACUUM CLEANER

### DESCRIPTION

Perfect for any cleaning operation and always ready to use, our cordless vacuum cleaner AP15 guarantees a working time of 20 minutes. Lightweight and very handy, it is the right solution for fast cleaning of carpets and moquettes as well as furniture, sofa, cars and much more. Thanks to the high efficiency lithium-ion charging technology, this unit can support maximum suction power for a long time; the cyclonic action also provides excellent suction of liquids and is ideal for removing dust and crumbs even in the spot most difficult to reach. Provided accessories are the dry e wet nozzles and the support for mounting it on the wall.
