

FE38 ELECTRIC OVEN

DESCRIPTION

Cooking your favourite dishes with GIRMI electric oven is fast and easy. Featuring an excellent internal volume of 38 litres, this unit can comfortably contain a 31 cm plate, ideal for preparing cakes and pies. Equipped with internal light, 60 minute timer, adjustable thermostat which can be set from 100 up to 240°C and 6 cooking functions, it guarantees a big usage flexibility. In addition you will be able to cook even two courses at the same time thanks to the practical function of heat convection. The new technology for thermal insulation makes this oven at the same time efficient and safe against skin burn, thanks to the minimum heat dispersion and to the cool touch external surfaces.
