

BL22 KETTLE

DESCRIPTION

Thanks to the electric kettles Girmi BL22, tea and hot beverages in general will be ready in a few seconds! Cordless operated and equipped with a 360 degree swivel base that allows an easy use with both hands, this kettle is able to prepare up to 8-10 cups of your favourite hot drinks and, when it comes to boil the water, it is faster than a microwave and safer and convenient than traditional stovetops.
