

## CR25 RICE COOKER

### DESCRIPTION

With CR25 you can finally prepare up to 8 cups of excellent rice at a time, steamed impeccably, thanks to the auto-off function at the end of cooking. Equipped with a non-stick removable pot, lid with steam vent and handle for maximum convenience, our rice cooker delivers a maximum power of 500 watts that will allow you to have your dishes on the table in a few minutes.
