

YG02 YOGURT MAKER

DESCRIPTION

To prepare a natural and healthy yogurt without any preservatives, Girmi has created the electric yogurt maker YG02, which includes the traditional Greek yogurt accessories for your convenience. Ideal for the whole family, this unit has a total capacity of 1.5 litres and it operates at a constant temperature of 42° C which makes it perfect for creating a creamy and soft yogurt that you can decorate to your taste and imagination.
