

TP10 TOASTER

DESCRIPTION

The toaster TP10 features a great power of 750 watts and, thanks to its 7 cooking level, it is the right solution to prepare delicious toast in a few minutes, cooked to perfection according to your needs. But not only: thanks to the convenient single slice toasting function with automatic eject, you can also toast your homemade bread for your vegetable and fish soups or for preparing delicious appetizers such as the Italian bruschetta.
