

BS45 CONTACT GRILL

PETRAVERA

DESCRIPTION

Compact size and stainless steel made, BS45 can be used like a traditional contact grill, Panini press to prepare tasty sandwiches and such as half plate griddle for grilling fish or meat. It is equipped with a large anti-burn handle and power indicator lights and "ready to grill" are placed over the upper griddle for your convenience. The unit is also equipped with two large non-stick plates with special "Petravera" coating: this innovative coating with stone effect will allow a healthier, natural and fat free cooking, guaranteeing excellent non-stick properties and heat strength for superlative grilling.
