

VP25 STEAM COOKER

DESCRIPTION

Cooking healthy, retaining the essential nutrients and preserving the taste of food, without using fat and oil, it's easy and safe with our steam cooker VP25. Thanks to its great capacity of 10 litres, it is made for your whole family: 3 transparent baskets can be easily installed one above the other to cook more food at one time. You can prepare boiled rice together with a main course of fish and a side dish of vegetables, which will remain always warm. All parts can be easily removed for an easy cleaning; baskets and lid are dishwasher safe for maximum convenience. Recipe book included.
