

SC01 ELECTRIC LUNCH BOX

VIVANDIERE

DESCRIPTION

Electric lunch box Vivandiere is the ideal solution when you are out to heat and keep warm your meal and consume it in a single container. Equipped with a convenient stainless steel container to warm pasta, rice and soups and a transparent plate ideal for heating meat, fish and vegetables, Vivandiere is very easy to clean and thanks to its hermetic seal it can be easily transported to your workplace without odors or spilling any drop of the contents.
