

SS01 STEAM STATION

DESCRIPTION

The steam system Girmi SS01 guarantees professional performance and surprising results. Equipped with steel 700 cc boiler capable of delivering an operating pressure of 3 bar, featuring a professional iron with comfortable cork handle, this unit provides a great steam volume of 50 g/min to eliminate also the stubborn creases. Temperature and steam are adjustable for maximum convenience and thanks to the separate switching for iron and tank, you can use it as a dry iron every time you need it.
