

## TR02 CHOPPER

### DESCRIPTION

This chopper easily chops and minces fresh and dried foods in a minute. It is activated at the touch of a button and thanks to its excellent 250 watt power and its pulse operation, you'll get great results in a few minutes. Perfect for chopping spices, chocolate and dried fruit, this unit is ideal for grinding meat to prepare "ragù" and it can be used for preparing vegetable beaten, pesto and tuna sauces or delicious pink and bechamel sauces as well. To ensure the maximum safe use, the unit was added with a dual safety system, located on the base and on the lid interlocking that stops any accidentally starting.

### TECHNICAL FEATURES

- |  |   |
|--|---|
| ✓ PULSE functioning                        | ✓ Capacity 400ml  |
