

FG20 ELECTRIC DEEP FRYER

DESCRIPTION

With deep fryer FG20 you can easily prepare crispy fries at home, without dirtying and leaving smell out of your kitchen. Not just fries, but fried fish and vegetables, tempura or chicken will be ready in a few minutes, crisp and without burns, since you can always keep an eye on the cooking status through the viewing window placed on the lid. Very easy to clean as thanks to its removable oil container with stainless steel basket, this unit offers excellent 2-liter capacity, adjustable temperature between 80 and 190 °C and control and temperature lights for maximum convenience.
