

VT50 VACUUM SEALER

DESCRIPTION

Easy to use, compact and very silent, the vacuum sealer VT50 is able to seal and vacuum bags and rolls in a few seconds for preserving a wide variety of foods, keeping them fresh up to five times longer than conventional airtight fridge containers. Suitable for food bags up to 29 centimetres, 200 cm length rolls and vacuum canisters, the unit features vacuum capacity of 12 litres with a pressure of 0.8 bar that enables a hygienic and durable sealing during time. The package includes a set of 5 bags, a plastic roll and a tube for canisters.
