

FR90 ICE-CRUSHING BLENDER

DESCRIPTION

Vintage design with varnished steel body, the blender FR90 represents the perfect mix of reliability and power: thanks to its powerful 6 stainless steel blades, it is able to crush ice in a few seconds. Equipped with a powerful 600-watt motor, this unit ensures a thorough mixing in any situation and it works perfectly for blending frozen fruit, for creating creamy smoothies, tasty cocktails, finely chopped vegetable soups, mashed potatoes and much more. Featuring a 1.5-liter capacity glass jar with tight-fitting lid to ensure the maximum safety during working operation, this blender has two operating speeds with Pulse option to always achieve excellent results.
